

# PROTECTING CHILDREN IN THE DIGITAL AGE

*Saint Mary's Centre 20th Annual Conference 2023*

*The Midland Hotel, Manchester*

*25th - 26th April*

---

**Bringing together the latest thinking & research in  
forensics, criminology, psychology and social  
sciences, in order to craft a better understanding and  
response to the art of caring for sexual violence  
victims.**

## **Who should attend?**

The conference will provide valuable insight and discussion to anyone working in the world of rape and sexual violence. In particular, policy and decision makers, police officers, forensic clinicians, health professionals, forensic scientists, psychologists, SARC staff, legal professionals, those working in safeguarding and those supporting people through the court process or therapeutically.

## **Call for Papers and Abstracts**

We are inviting submissions of papers and posters addressing all aspects of sexual assault for presentations at the conference. These can relate to any clinical practices or research that would be of interest to our delegates.

Abstract proposals (max 400 words) should comprise: Title; aim; background; methods; results; conclusion;

Paper and poster proposal deadline: February 28th 2023
