

Saint Mary's Sexual Assault Referral Centre

SARC Best Practice & Level 3 Safeguarding Day

Saturday January 19th 2019

Chancellors Hotel and Conference Centre, Chancellors Way, Manchester M14 6ZT

Saint Mary's SARC Best Practice Day will deliver a comprehensive programme which is aimed at all staff working in SARCs.

The Day also qualifies towards Level 3 Safeguarding Training

The day will provide the opportunity to share good practice and improve services for people who have experienced rape and sexual assault.

This one day course will be delivered through interactive group work in order to maximize the learning opportunities for all delegates.

Faculty of Forensic and Legal Medicine has awarded this event 6CPD points.
